# The Great American Songbook

**Andy Kahn**  
**May 6<sup>th</sup>-22<sup>nd</sup>**

Pianist/Songwriter/Record Producer **ANDY KAHN** “spreads the words and music” in May as he brings his “Music by Intention” concert series to Hedgerow Theatre for nine musical performances. Andy sets the “standard” as he presents American composers Irving Berlin, Cole Porter, George Gershwin, Jerome Kern and many others, like you’ve never heard them before. Offering anecdotes about those songwriters who helped shape American ideals and attitudes during the first half of the 20th century, Andy weaves a magical spell on his audience. He plays and sings well-known standards, many of which evolved into Swing and Jazz, America’s enduring, unique contribution to music and the arts.

Join us on a musical romp through a period in American history that has lasted for a century. Having performed in the USA, Europe and South America, Andy Kahn now comes to Hedgerow Theatre’s stage for the first time. Don’t miss this extraordinary musical concert series coinciding with our 88th year! Each of Andy’s nine shows will focus on different American composers, so come more than once and hear some great music at Hedgerow!
